Addison, IL 60101  
(630) 628-4060  
Fax (630) 628-2536

School District 4 is pleased to offer a new Student Meal debit account system that will be rolled out for students at Army Trail Elementary on January 17, 2012. This debit account system will be available for both the school breakfast and lunch programs. It will provide parents with a convenient, easy and secure online pre-payment service that will allow you to deposit money into your student's school meal account. In addition, you will have the ability to view your child's account balance and lunchroom purchases online. A report will be available to show you all of the breakfast, lunch and ala carte items your child has purchased in the last 30 days.

Students will be required to show their student ID card in order to purchase food. When the student ID is scanned, the cost of the meal purchased will be deducted from the student account.

Deposits to your child's account can be made starting on January 1, 2012. Parents have three convenient payment options that are available:

- Payment by credit card online through the Family Access website, <http://www.asd4.org> click on Family Access on the For Parent menu
- Checks made payable to Addison School District 4 secured in an envelope with your student's name and student ID# on the envelope.
- Cash secured in an envelope with your student's name and student ID# on the envelope.

We are excited to offer this streamlined electronic system that will make menu purchases more efficient for students and payments more convenient for parents. Families with more than one child attending District 4 schools will be able to manage all of their children's transactions through one family account.

If you have any questions regarding the Student Meal debit account system, please check the school district website, [www.asd4.org](http://www.asd4.org), or call 630-458-2500 for more information.

Sincerely,

Marcy Boyan  
Assistant Superintendent for Business

**The Addison School District 4 Community...**

- Provides a safe, nurturing and innovative learning environment;
- Empowers all students to achieve success while embracing and celebrating individual differences; and
- Develops life-long learners with a global perspective.
