Dear parents,

I regret to inform you of a suspicious incident that occurred in our community and to ask that you talk with your children again regarding their safety. We became aware of an attempted child abduction yesterday, January 31, 2012, after school in the southeastern portion of the Addison community. This attempt occurred on Lorraine just north of Ardmore School by unknown white male driving a black SUV. After the man asked the child to get into his car, the child said "no" and went directly home. The man was balding with no facial hair and they were unable to determine his age. The Addison Police are investigating and have increased patrols in our community.

Each of our school principals has notified their staff and supervisors to continue monitoring activity near our schools during arrival, dismissal, and recess times. We have also notified our bus companies and have asked that they inform the bus drivers to be aware of these concerns. Please help us by reminding your children to report any suspicious incidents that occur when they are in the community. It is helpful to remind students to walk to and from school in groups of two or more; to never talk with strangers; and to stay away from unknown vehicles.

If you have any questions regarding safety around our schools, please contact your school principal or my office.

Thank you,

John R. Langton
Superintendent

Lastimo informarles de un incidente sospechoso que ocurrió en nuestra comunidad y quiero pedirles que hablen otra vez con sus hijos en cuanto a su seguridad. Nos enteramos de un intento de secuestro de un niño ayer, el 31 de enero, después de las clases en la sección al sudeste de Addison. Este intento ocurrió en la calle Lorraine, justo al norte de la escuela Ardmore, cometido por un hombre blanco desconocido manejando un SUV de color negro. Después de que el hombre le pidió al niño que entrara en su auto, el niño dijo "no" y siguió caminando directamente a casa. El hombre era calvo, sin barba y de edad no determinado. La policía de Addison está investigando y ha aumentado las patrullas en la comunidad.

En cada de nuestras escuelas los directores notificaron a su personal y supervisores para que sigan monitoreando la actividad cerca de las escuelas durante las horas de la llegada, salida y recreo. Nos hemos comunicado con las compañías de autobuses y les hemos pedido que informen a sus choferes para que estén enterados de la situación. Favor de ayudarnos a recordarles a sus hijos que reporten cualquier incidente sospechoso que ocurre cuando ellos están en la comunidad. Hacerles recordar que es mejor caminar a la escuela en grupos de dos o más; nunca hay que hablar con los desconocidos; y alejarse de los vehículos desconocidos también.
