## Wesley School Readers are Leaders!

This boy is just one of the students at Wesley School who took part in "Readers are Leaders" Week. There was an all-school assembly on Monday, April 13, featuring Addison Mayor Larry Hartwig who read a proclamation and helped students celebrate literacy. Each day students and staff were encouraged to dress up—Tuesday was sports day, Wednesday was crazy hat day (crazy for books), Thursday was mismatched day, Friday was wild sock day—and they participated in special reading activities throughout the week.
