

District 4 enjoys Foundation Fun Fair

ADDISON — On Friday, April 15, 1200 people enjoyed a night of fun as they came to Indian Trail Junior High for the District 4 Educational Foundation's annual Family Fun Fair. The purpose of the event is to raise funds for and awareness of the Foundation which supports student learning in Addison. On Friday night the

Foundation had the opportunity to present over \$10,000 in mini-grant checks to 21 teachers and teacher teams who will be using the funds for exceptional learning experiences for students.

Lake Park 4th and 5th grade students entertained the crowd with a selection of environment-related songs, games and

prizes were provided by Addison PTAs, PTOs, the Addison Teachers Association and the Addison Park District and a DJ provided dance music all night long. Community members, staff and dozens of student volunteers from Addison Trail High School are worked to make the evening a fun night out for everyone.
