Park District sign unveiled at Lake Park School

The Addison Park District recently sponsored a rename-the-park contest in which Lake Park students participated. Last week, the new sign was unveiled—Lake Manor North Park, which is located next to Lake Park School, is now Panther Park in honor of the school's panther mascot and logo. Park and school officials gathered with students for the official unveiling of the sign.

Ronald joins the fun

Ronald McDonald made a guest appearance at the unveiling of the new Panther Park sign, encouraging the students to lead healthy, active lives.
