

# District 4 holds new teacher orientation

ADDISON — Fourteen new District 4 teachers participated in orientation meetings last week. They received information about technology use, payroll and benefits, curriculum and instruction, special education and bilingual edu-

cation during their sessions. The week concluded with a bus tour of Addison, stopping at all eight of the District 4 schools, and a luncheon where the teachers had a chance to spend some time getting to know their teacher mentors

and school administrators. All District 4 teachers will be back at school on Monday for two institute days before the students return for the new school year on Wednesday, August 24.
