

Sara Donis serves as "Principal for a Day" at Fullerton

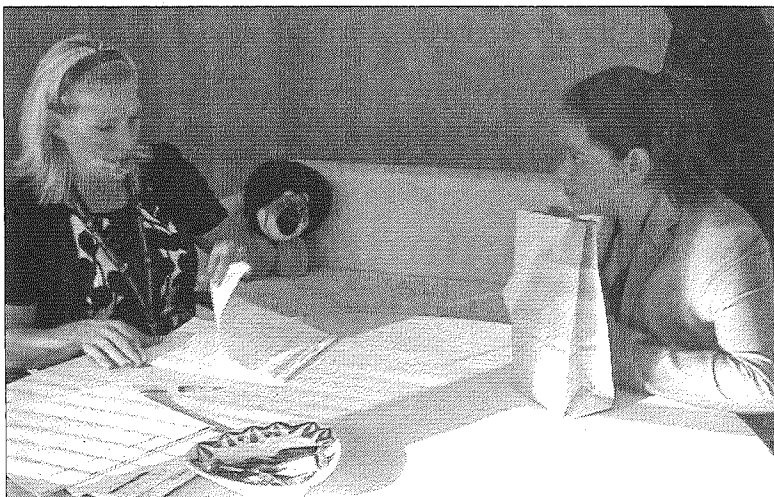

ADDISON — At Fullerton School, 5th grade student Sara Donis served as "Principal for a Day" on Wednesday, Oct 5. Sara had the opportunity to enter a drawing for the special recognition because she had been awarded a C.U.B.S. ticket for being respectful and for modeling Fullerton expectations. Sara showed up for 'work' on Wednesday, dressed professionally and ready to shadow Fullerton Principal Carrie Stange through a typical school day. She made the morning announcements, walked through classrooms to observe instruction, assisted with lunch and recess duty and was ready to help with other tasks that came up throughout the day.
