

Wesley students enjoy feast with "Book Buddies"

ADDISON — On Tuesday, the 1st graders from Mrs. Saenz's class at Wesley School met with their 3rd grade book buddies from Mrs. Potter's class to talk about the first Thanksgiving and to enjoy a Thanksgiving feast. The 3rd graders represented the native Americans, while the 1st graders represented the pilgrims. The 'pilgrims' presented their book buddies with cards that they had created for them. Students from these two classes are paired up and they spend time reading together when they meet throughout the school year.
