

Lincoln 5th graders pack food for Switchboard

ADDISON — The 5th graders from all of the District 4 elementary schools had the opportunity to give back to the community as they spent time sorting canned goods for the Addison Community Switchboard.

Each year, District students and staff collect non-perishable food items, which are picked up by Addison Park District staff who deliver them to Good Samaritan

Church, where Switchboard volunteers assemble Christmas boxes for 280 needy Switchboard clients. This year, all of District 4's 5th grade classes spent time at Good Samaritan helping to separate food items into categories. The students provided lots of energy and extra hands for this community-wide project.
