

# Lincoln School holds coat drive

ADDISON — Lincoln School staff members spent a morning sorting out brand new winter coats that were donated for District 4 students by employees of Wirtz Beverage Illinois in Elk Grove Village. For more than six years, Wirtz employee Britt-

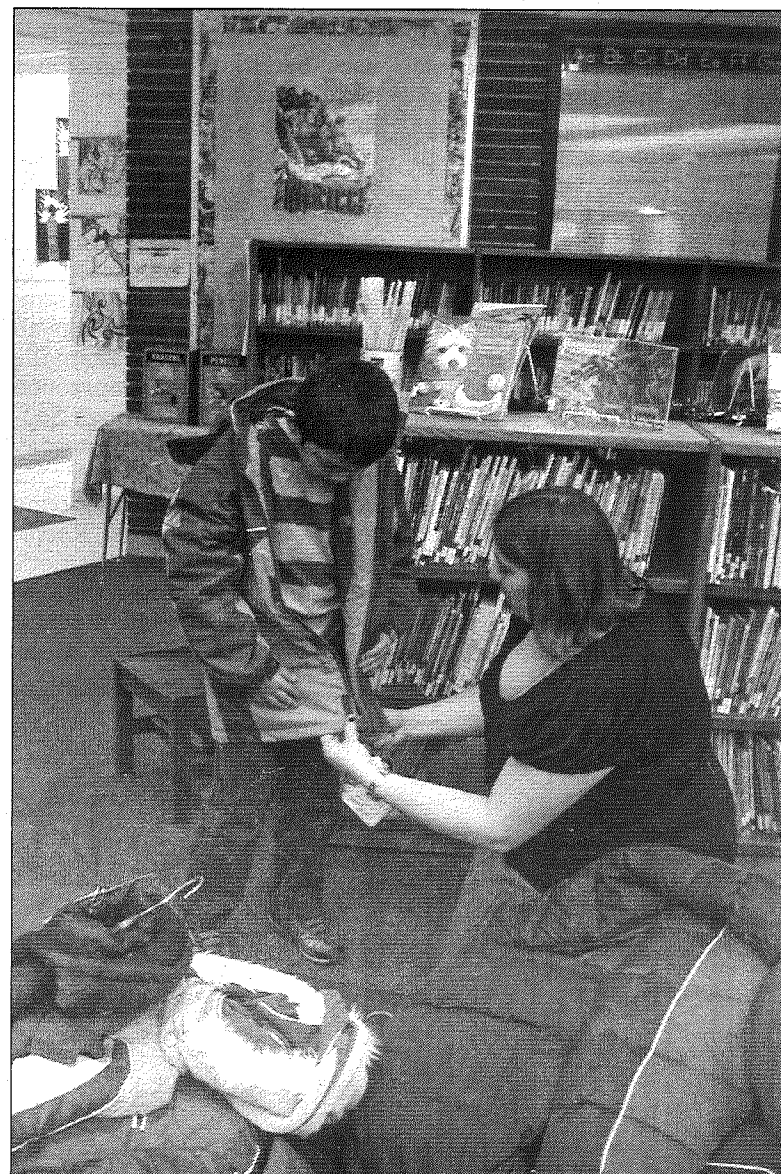

ney Conklin has worked with Lincoln School teacher Jennifer Brown, whose husband works for Wirtz, to provide warm clothing for students. Conklin coordinates the donation drive, encouraging Wirtz employees to bring in new coats or monetary

donations. This year, almost 200 coats were brought to Lincoln School on Tuesday morning. Brown and other Lincoln staff members sorted through the coats, matching them up with students across the school district who are in need.
