

Who we are

The Addison School District 4 Educational Foundation for Excellence is a non-profit organization founded in 2006 in order to support projects which will enhance the learning experiences of District 4 students. District 4 is an elementary school district which educates 4,200 kindergarten through 8th grade students. These students are located in a kindergarten center, six elementary buildings and a junior high school. The Foundation's

goal is to raise funds in order to finance exceptional projects that will enhance the educational experience of our children, focusing on projects that fall outside the scope of the school district's annual budget.

The Foundation's Board of Directors established bylaws, identified goals and objectives and began to plan and implement fundraising efforts that will help the Foundation achieve its goals. Initial projects that have been identified for support include:

- Library/media materials for 8 school libraries
- Teacher mini-grants for all buildings

In its first year, the Foundation awarded a total of just under \$8,000 to 17 teachers or teacher teams who implemented exciting programs and projects for students

How you can help

Addison School District 4 is a community of learners that has a tradition of support from parents, alumni, community members and business leaders. Your tax-deductible gift can ensure that District 4's tradition of academic excellence will continue into the future.
