Please note:

Please label all items with your child's name. It is helpful to put initials on each marker. Please put pencils, scissors, erasers, pencil sharpener, highlighters, dry erase markers and red pens in pencil case before sending to school. Leave markers and crayons in their boxes. Send all supplies the first day of school. *Supplies may need to be replenished during year. *These do not need to be expensive folders- just with a bit of plastic coating to make them hold up better. Have purchased them for 25 ¢ at large discount stores. No prongs. Plastic folders are not recommended as things slip out too easily.
