Please call me with any questions at (630)458-2963 or email me at avantrepotte@asd4.org.

Here's What Room 7 Has Been Up To!

LITERACY:

We are finishing up Theme 4 of our Reading series and have already started to prepare ourselves for the ISAT tests. We are going to practice how to answer a specific question for the Reading Extended Response portion of the test. Please make sure your child is studying for their spelling tests and DOL tests.

MATH:

We finished learning all about fractions and order of operations. We are now moving into our geometry unit. Also, we have begun to prepare ourselves for the ISAT tests. We have been practicing how to do a Math Extended Response question. Answering the question takes some time, but we want to make sure everyone understands the proper way to answer the question.

SCIENCE:

In science, we just finished our unit on simple machines. We have now started to get into our next unit of electricity and magnets. Amongst all this, we are preparing for the ISAT test as well.

SOCIAL STUDIES:

In Social Studies, we are wrapping up our unit on the Southwest Region. We will then move into the Southeast Region where we will learn about how certain people and events helped shape the Southeast.

MOOD PENCILS

What kind of mood are you in today? During the week of February 13- 17, student council will be selling MOOD PENCILS for \$0.50. We have a limited supply of these pencils and they will not be reordered, when we run out. In order to have everyone be given the opportunity to purchase them, Monday and Tuesday the students will be limited to purchase 2 pencils.

ACCELERATED READER

Please make sure you are continuing to encourage your child to read every night for the Ozzie Reading Club, Great America Reading, and Accelerated Reader. Accelerated Reader books are due:

FRIDAY, FEBRUARY 17!
