

FALL NEWSLETTER

Dear Parents:

Here's some of the things coming up in our class in October and November! We have started our 2nd Reading theme in the reading series. In Math, we are working on place value-tens and ones. In Science, we have started our Earth science unit-volcanoes here we come!! In Social Studies, we will study the holidays for the month as well as "Our Neighborhood and Communities."

If you are already shopping for a Halloween costume, remember no weapons of any kind. And, if your child dresses as a character from a book, he/she might win the Halloween costume prize on that day. The festivities will be in the **afternoon only**, 1:30-3:00pm-**Parade at 2:30pm**. You can come to see the parade and take pictures of the children before the party.

Dates to Remember:

Oct. 31st-Halloween festivities

Nov. 10th conferences 4-8pm

Nov. 14th conferences 4-8pm

Report cards issued November 11th

Thanksgiving vacation November 21st-25th

Thanks, Mrs. Pacilli
