Room 10's Class News

From the fifth grade classroom of Mrs. Rossi

Highlights

January flew by! We had a great start back after break and are back to our routine! In math, we started our geometry unit where we created *Geo-creatures* and made symmetrical snowflakes. We also did some kinesthetic slides, flips, and turns! We finished our matter unit and became mini-scientists finding the acidity of household items and made silly putty! In Social Studies, we finished learning about the American Revolution and are now learning about early America! We continue working in guided reading groups during Daily Five each afternoon where we focus on a different reading skill every two weeks. The class continues to do well with the different literacy activities and our developing a love of reading!

M	Tu	W	Th	Fr
		1 Iditarod assembly 2-3		3 Early Dismissal
6 Pennies for Patience begins-please collect loose change				
13 2 nd base Ozzie reading Program Mood pencils \$0.50	14 Valentine's Day Mood pencils \$0.50			
20 NO SCHOOL PRESIDENT'S DAY		22 Hat Day	23 A.R. Goals due	24 End of 2 nd Trimester
	27 2 nd base Ozzie reading Program		29 Board of Education Meeting @7	

Other News...

- Attached is a class list for Valentine's Day cards. It is your child's choice to bring them to school. I only ask if s/he does bring something in, to make sure to have one for everyone in class so we don't hurt anyone's feelings.
- The class is on their way reaching their second trimester Accelerated Reader goal. By the February 23rd, they should have each read seven books. Please make sure your son or daughter is reading 15 minutes each school to ensure this goal is met. The Ozzie Reading Club has started as well as the Great America reading incentive program too!
- I am happy to announce that Christian, Mirage, and Ariana have recently become Math Masters! Rafal and Sara R. our SUPER Math Masters!
- We are using our dry erase boards quite frequently in class and are low on dry erase markers. If you could please send your child in with a few more, I would greatly appreciate it!
- Please feel free to contact me at any time at jrossi@asd4.org or (630) 458-2964.
