

November News

Welcome again to the reading corner and happy November!

Reading with your child should be a fun and enjoyable experience for all of you.

Some parents wonder how to choose the book that is just right for their child. Here is a tip you can use for November that was taken from <http://teacherweb.com>

Five Finger Rule

- ✚ Help your child choose a book that looks interesting to him or her.
- ✚ While reading the first page of the book, count the unknown words (using fingers to keep track is fine). If there are five or more words that your child doesn't know, the book may prove to be too hard for them and they may not get the most out of reading it.
- ✚ You can choose to read that book together.

Remember—READING IS FUN!! HAVE SOME TOGETHER!!
