## A BIG FUN FAIR THANK YOU TO ONE AND ALL

Our Fun Fair on Friday, March 19<sup>th</sup> was a great success thanks to everyone involved. We would like to thank the parents, teachers, administration/staff, family, friends and our community students who volunteered their time to the numerous hours it took to get the job done. No job was too big or small. Way to go everyone! We would also like to thank the generous individuals and companies who helped by contributing concessions, decorations, raffle prizes, etc. for the event. Because of you, we were able to keep our costs for the event to a minimum. Thanks again and SEE YOU NEXT YEAR!

### Terracycle - Stone's New Recycling Program

*Got* CapriSun juice pouches; Honest Kids juice pouches; Frito-Lay chip bags; Lunchables; Elmer glue bottles or sticks; Trident, Dentyne, or Bubblicious gum wrappers??? If so, please send them to school.

The PTA has joined a new recycling program that turns trash into cool new products and we receive 2¢ for *each* item. Please send any of these products to school with your child who can then place them in our convenient Terracycle recycling tubs located in each pod and the lunchroom. Students will also be encouraged to recycle these products during the regular school day if they are a part of their lunch. To see how these products are transformed into cool school supplies, go to <http://www.terracycle.net/>

*Don't miss Stone's spring reading event*

**Wild About Reading  
Spring Open House

See all the exciting places Stoney has traveled and the awesome animal projects students have created while reading around the world.

**Jump Rope for Heart is the Week of  
April 12th - April 16th**

When kids jump rope for heart they are working to help other kids and adults with serious heart conditions. This could not be more close to home this year with our own Christopher Pacheco who received his new heart on Sunday, March 21st. Chris is doing incredibly well. The doctors said he is like a miracle child in that his transplant was completed in a record three hours. Please consider pledging your child during Jump Rope for Heart Week for this amazing cause.
