Mix-It-Up At Lunch

The anti-bully Mix-It-Up at lunch event will occur two more times this school year on April 21st and May 19th. Mix-It-Up encourages students to meet other kids from their lunch session and expand their social circles. Upon entering the cafeteria, students receive an animal picture card that directs them to the table they will sit at. From there, they find a new friend to sit with that they will interview and learn as much as they can about that person.

Wild About Reading Book Donation

Starting the week of April 12th, the Principal Panel is sponsoring a gently used book donation drive. Books will then be donated to Book Worm Angels, an organization that helps get books to needy children. Please consider bringing in some gently used books that your child has outgrown. The book drive will continue through April 30th.

Bicycle Safety

Officer Brucal conducted two assemblies on Friday, April 9th, one for primary students and one for intermediate students, sharing important facts about bicycle safety now that warm weather and outside play is upon us.

- *Always wear your helmet
- *Always have your helmet straps fastened
