

A Message from the Principal

Hello Stone families:

Welcome back to a new school year! The Stone staff and I look forward to providing more exciting learning opportunities for our students in the upcoming months. We continue our Focus of Teaching and Learning and ensuring that our students are meeting their grade level essential learning skills. We want to continue to give our children many opportunities to shine in academics and extracurriculars!

As you know, you also play a very important role in your child's education! You can assist your child in so many ways- by attending school functions/activities, helping children with school work and projects, talking to your child about what they worked on or learned at school each day, or even just by reading a book to them or playing with them! Children learn through a variety of experiences. The possibilities are truly endless.

I look forward to seeing you around school this year! As always, if you have any questions or concerns, please don't hesitate to contact me at 630/628-4020 or email me at klohse@asd4.org. I am happy to assist you in any way!

Regards,
Kim Lohse
Principal
