

Dear Parents,

Tonight is Family Reading Night. It is celebrated annually in Illinois on the third Thursday in November. Family Reading Night is a statewide event that encourages families to spend quality time reading together.

Each student is encouraged to read with their parents and to fill out and decorate a quilt square about their book, including the title; author and then they may draw a picture or describe their favorite part. Older students may wish to share a chapter of a novel they are reading with their parents. Please share a picture of your family reading together.

Happy Reading!
