

Birthday Books

To Wesley Parents:

Birthday Books are available for your children and a great way to help our library. If you would like to purchase a birthday book, your child would receive the book in the month of their birthday (or their half birthday if it falls in the summer). The book will be stamped with your child's name and birthday and is sent home. After your child reads the book, it is brought back to school and donated to our library for the other Wesley students to read and enjoy. The cost of the book is \$5.00.

To participate, please complete the lower portion and return by October 14, 2011.

Note: September birthday books will come out this month.

Please make the check payable (\$5 per child) to **Wesley School PTA.**

Thank you
