5/18- Patrol Outing

5/26- Accelerated Reader Night

5/30- Student Council elections

Talent Show

5/31- Field Days

6/1- Last Day of School

Accelerated Reader Night

We have some voracious readers here at Wesley School! All 3rd 4th and 5th grade students had the opportunity to read books and take quizzes on the computer. The students took the quizzes through the program Accelerated Reader. This program gives them questions, and then assigns them points based on the level of the book and their performance on the quiz. The teachers set point goals for the students at each grade level. Every student who reached this goal by this week qualified for our Accelerated Reader Night on May 26th. The students who qualified will have a permission slip come home next week. Below are the goals for each grade level, and how many students in each grade have qualified! Way to go Wesley Readers!!!!!!!

- 3rd grade-**
Goal- 30 points
of Students- 22
- 4th Grade-**
Goal- 50 points
of Students -14
- 5th Grade-**
Goal- 60 Points
of Students- 16

Wesley Shout Out Super Stars!

Congratulations to the following students who have received a Shout Out for following the Wesley Expectations!

| ★ December Barges | ★ Aleyshka Perez |
| ★ Valentina Gross | ★ Gage Weaver |

Pass It On Update

We just want to thank everyone for their generosity these past few weeks. In just a few weeks, we were able to collect over 1,200 articles of clothing. These were donated to Good Will of Chicago, and will go to some needy families. Hopefully we are able to win the visit from Duncan Keith. Keep your fingers crossed. Thank you again for all your support in helping Wesley School pass it on and help those in need!

Sincerely,

The Wesley Student Council

2012-2013 School Year Registration
Tomorrow, Friday May 4, 2012 is the very last day you can come and register your child before you are charged a \$25 late fee. Any registrations brought in after Friday will be assessed a \$25 late fee per child. Get them in!!!!

Wesley Mc Teacher Night

Attention Wesley families. Come out to the first ever Wesley Mc Teacher Night. From 4:00-7:00 on Thursday, May 17th, 2012 the teachers and staff from Wesley will be helping serve food and drinks at the Addison McDonalds on Lake Street. McDonalds will then donate a percentage of the sales to the Wesley PTA. Make sure you come out and join us!

Ba Da Da Da Da...

Be Safe,

Be Responsible

Be Respectful

Wesley School Mission Statement

To provide a supportive academic environment for all students to develop into responsible, productive citizens; foster positive, respectful relationships; and acquire the skills necessary to become self-motivated learners.

WHAT'S HAPPENING

Up, Up and Away!

The first grade classes have been very busy scientists as we have been observing and collecting data about our caterpillars in our classrooms. Each classroom has five caterpillars that will grow into beautiful Painted Ladies. It has been fun to watch as the caterpillars have grown. We are continuing to record our information as the caterpillars began to hang upside down to form their chrysalis. Once they have hatched, we will take the Painted Ladies outside and set them free to fly up, up, and away!

Be Safe,
Be Responsible
Be Respectful
