

## Welcome to Music With Mr. Fair

It is a pleasure to be part of the Wesley school family. Although I am new to Wesley school, I have been teaching music at Fullerton school in Addison for twenty years. I am excited to work with all the students and teachers at Wesley this year.

In music we will be doing a lot of fun activities. These will include singing, playing instruments, learning about composers, music staff reading, musical families, and instruments. We will also incorporate some musical games with the Music Ace software program. Learning music vocabulary is an important part of the curriculum.

A web site we will be using quite a bit this year, which you might want to look at, is <http://www.classicsforkids.com>. Another resource we will be using is Music Express magazine. This is a bi-monthly magazine that has fun songs and activities, as well as a composer that is featured in each issue.

Third and fifth graders will be performing a musical at Christmas and spring. More details will be given as they get closer.

If you have any questions feel free to call me at 628-4063 or email me at [rfair@asd4.org](mailto:rfair@asd4.org). I am looking forward to a great year at Wesley School.

Mr. Fair
